**REQUEST FOR CORRECTION OF PRIORITY DATA**

Sir:

The present United States application was filed without a priority claim under 35 U.S.C. 119.

Applicant refers to its prior German application filed more than one year before the United States application was filed and therefore did not claim priority.

At (30) on the Applicant's publication No. 2004/0096132 A1, the German application is listed under Foreign Application Priority Data. If this purports to state that a priority claim has been made, correction of that information is requested.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on March 30, 2005:
